

CIRCUIT BLITZ

4 WEEK TRAINING PROGRAM
BY MILO LOPEZ

ABOUT THE TRAINER

Milo Lopez is an experienced trainer and commander for the Boot camps run at Crunch Chatswood. By utilising a combination of intensity, conditioning, and strength, Milo's Circuit Blitz program is designed to maximise calorie expenditure, build both muscular and cardiovascular endurance as well as improving functional strength and movement.

START NOW

EXTRA NOTES

- For progression during the 4 week program make sure to only change one parameter of the workout either it be increasing the weight, increase working period, reducing the rest period or increasing your
- Make sure to properly warm up and cool down after the workout and push yourself each set.

As with all new exercise programs it is important to consult with your doctor. If you experience any symptoms of weakness, unsteadiness, light-headedness or dizziness, chest pain or pressure, nausea, or shortness of breath stop immediately. If you have any questions or need advice regarding this program, or have a preexisting injury that prevents you from doing any of the exercises, please consult any one of our friendly PTs in-club for personalized fitness advice.
