GERMAN VOLUME TRAINING

4 WEEK TRAINING PROGRAM
BY KARIM CHAMI

ABOUT THE TRAINER

Karim is a Personal Trainer at Crunch Alexandria with over 10 years' experience in Strength and Conditioning. This program is designed for people who are looking to pack on some serious mass. This is not a beginners program. If you have reached a plateau, this program will guarantee to shock your central nervous system and order your body to grow.

START NOW

EXTRA NOTES

- For progression during the 4 week program make sure to only change one parameter of the workout either it be increasing the weight, increase working period, reducing the rest period or increasing your intensity.
- Make sure to properly warm up and cool down after the workout and push yourself each set.
- Perform abs in the morning after cardio every second day - 3x50 normal crunches, 3x25 leg raises.

As with all new exercise programs it is important to consult with your doctor. If you experience any symptoms of weakness, unsteadiness, lightheadedness or dizziness, chest pain or pressure, nausea, or shortness of breath stop immediately. If you have any questions or need advice regarding this program, or have a preexisting injury that prevents you from doing any of the exercises, please consult any one of our friendly PTs in-club for personalized fitness advice.
