

FITNESS

Death Sets - Plateau Busters 6, 12, 24

4 WEEK TRAINING PROGRAM
BY DANIELLE GEORGANAKIS

ABOUT THE PROGRAM

Lacking a little bit of intensity? Death sets are just the way to get you out of a plateau and kick start a new religion in lifting. Not for the light hearted and all for the burn and fat loss. Increase weight but all reps must be completed without failure to the very end!

START NOW

As with all new exercise programs it is important to consult with your doctor. If you experience any symptoms of weakness, unsteadiness, lightheadedness or dizziness, chest pain or pressure, nausea, or shortness of breath stop immediately. If you have any questions or need advice regarding this program, or have a preexisting injury that prevents you from doing any of the exercises, please consult any one of our friendly PTs in-club for personalized fitness advice.
